

K&S: IMPACT - COVID-19

CLIENT INFORMATION

Following the Government of Kenya's directives and guidelines, and other similar advisories, relating to the corona virus (COVID-19), and its far reaching devastating effect on human life across the globe, the partners of K&S have taken steps to put in place a plan to safeguard the health and wellbeing of our staff and all those who come in contact with us, as well as to ensure the continued excellent service to which our clients have become accustomed.

Accordingly, with effect from 16:30 hours (EAT GMT +3) on Tuesday 17th March 2020, arrangements have been made for our staff to work off-site to control the risk of exposure to or transmission of any infection.

This will not affect our ability to connect with our clients and others, including conducting meetings on the phone and by e-mail. Delays may occur as a result of technological challenges, but we will ensure that these remain at the very minimum. Should you experience any difficulties, or wish to receive further information, kindly do not hesitate to reach out to your usual contact at K&S or through any of the following numbers: +254 20 2841000, +254 20 5145200 , +254 722 205782/3, +254 733 699012/3; and email addresses KS@kapstrat.com, KSLitigation@kapstrat.com and SWainaina@kapstrat.com.

We shall continue to monitor the situation and update you as necessary. In the meantime, we are grateful for your abiding support and trust that the position will stabilize soon.
